SiBrid® DE-15

Technical Data Sheet

Product Name: SiBrid® DIETHICONE – DE-15
Product Code: DE-15
INCI Name: Polydiethylsiloxane
CAS #: 63148-61-8
EINECS # N/A; polymer
Date Issued 3/9/12
Revision Number: 2

Description:

DE-15 is a light emollient with a soft, cushion-like skin feel, imparting excellent slip and spreading properties in skin care and color cosmetics. In water in silicone foundations and pressed powders, DE-15 serves as an excellent vehicle for wetting the pigments. DE-15 exhibits far greater compatibility with common cosmetic ingredients than do the Dimethicone fluids.

Typical Properties

Note: The values below are typical, not intended for use in preparing specifications. Please contact the Gelest PCS sales representative when writing specifications.
