| .1. Substance  |  |                         |
| substance type   | : Mono-constituent   |                         |
| lame   | : HYDRIDE TERMINATED POLYDIMETHYLSILOXAN                             | NE                      |
| CAS No   | : 70900-21-9   |                         |
| Name   | Product identifier   | % GHS-US classification |
| Hydride terminated polydimethylsiloxane  | (CAS No) 70900-21-9  | 95 - Not classified     |
| 3.2. Mixture   |  | 100                     |

Not applicable

| SECTION 4: First aid measures          |   |  |                 |
|--|---|--|-----------------|
| 4.1. Description of first aid measures |   |  |                 |
| First-aid measures general             |   | and shoes. In case of accident or if you feel unv<br>now the label where possible). If possible show the<br>bel. |                 |
| First-aid measures after inhalation    | : Remove victim to fresh air and<br>unwell, seek medical advice.  | keep at rest in a position comfortable for breathi   | ng. If you feel |
| First-aid measures after skin contact  | : Wash with plenty of soap and v  | vater. Get medical advice/attention.   |                 |
| First-aid measures after eye contact   | : Immediately flush eyes thoroughly with water for at least 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical advice/attention. |  |                 |
| 10/23/2015                             | EN (English US)   | SDS ID: DMS-H11  | Page 1          |

Safety Data Sheet

| First-aid measures after ingestion         | : Never give anything by mouth to an unconscious person. Get medical advice/attention.   |
|--|--|
| 4.2. Most important symptoms and e         | effects, both acute and delayed  |
| Symptoms/injuries after inhalation         | : No information available.  |
| Symptoms/injuries after skin contact       | : May cause skin irritation.   |
| Symptoms/injuries after eye contact        | : May cause eye irritation.  |
| Symptoms/injuries after ingestion          | : No information available.  |
| 4.3. Indication of any immediate med       | dical attention and special treatment needed   |
| No additional information available        |  |
| <b>SECTION 5: Firefighting measure</b>     | S  |
| 5.1. Extinguishing media                   |  |
| Suitable extinguishing media               | : Water spray. Water fog. Foam. Carbon dioxide. Dry chemical.  |
| Unsuitable extinguishing media             | : Do not use straight streams.   |
| 5.2. Special hazards arising from the      | e substance or mixture   |
| Fire hazard                                | : Irritating fumes and organic acid vapors may develop when material is exposed to elevated<br>temperatures or open flame.   |
| 5.3. Advice for firefighters               |  |
| Firefighting instructions                  | : Exercise caution when fighting any chemical fire. Use water spray or fog for cooling exposed   |
|  | containers.  |
| Protection during firefighting             | : Do not enter fire area without proper protective equipment, including respiratory protection.<br>Avoid all eye and skin contact and do not breathe vapor and mist.                                   |
| SECTION 6: Accidental release m            | easures  |
|  | e equipment and emergency procedures   |
| 6.1.1. For non-emergency personnel         |  |
| Protective equipment                       | : Wear protective equipment as described in Section 8.   |
| Emergency procedures                       | : Evacuate unnecessary personnel.  |
|  |  |
| 6.1.2. For emergency responders            |  |
| Protective equipment                       | : Do not attempt to take action without suitable protective equipment. Equip cleanup crew with proper protection. For further information refer to section 8: "Exposure controls/personal protection". |
| 6.2. Environmental precautions             |  |
|  | Jotify authorities if liquid enters sewers or public waters.   |
| 6.3. Methods and material for contai       |  |
| For containment                            | : Contain any spills with dikes or absorbents to prevent migration and entry into sewers or  |
|  | streams.   |
| Methods for cleaning up                    | : Clean up any spills as soon as possible, using an absorbent material to collect it. Sweep or shovel spills into appropriate container for disposal.  |
| 6.4. Reference to other sections           |  |
| See Heading 8. Exposure controls and perso | onal protection.   |
| SECTION 7: Handling and storage            | e de la constante de la constan  |
| 7.1. Precautions for safe handling         |  |
| Precautions for safe handling              | : Avoid all eye and skin contact and do not breathe vapor and mist. Use only in well ventilated areas.   |
| Hygiene measures                           | : Wash hands and other exposed areas with mild soap and water before eating, drinking or<br>smoking and when leaving work. Wash contaminated clothing before reuse.                                    |
| 7.2. Conditions for safe storage, incl     | uding any incompatibilities  |
| Storage conditions                         | : Keep container tightly closed. Self-venting bungs should be provided for long term drum storage.   |
| Incompatible materials                     | : Alkalis. Metal salts. Oxidizing agent. Precious metals.  |
| Storage area                               | : Store in a well-ventilated place. Store away from heat.  |
| 7.3. Specific end use(s)                   |  |
| No additional information available        |  |
|  | or sonal protoction  |
| SECTION 8: Exposure controls/p             |  |
| 8.1. Control parameters                    |  |

Safety Data Sheet

| 8.2. Exposure controls                      |  |
|---|--|
| Appropriate engineering controls            | : Provide local exhaust or general room ventilation.   |
| Personal protective equipment               | : Avoid all unnecessary exposure. Emergency eye wash fountains and safety showers should b available in the immediate vicinity of any potential exposure.            |
| Hand protection                             | : Neoprene or nitrile rubber gloves.   |
| Eye protection                              | : Chemical goggles. Contact lenses should not be worn.   |
| Skin and body protection                    | : Wear suitable protective clothing.   |
| Respiratory protection                      | : Where exposure through inhalation may occur from use, respiratory protection equipment is recommended. NIOSH-certified organic vapor (black cartridge) respirator. |
| <b>SECTION 9: Physical and chemica</b>      | l properties   |
| 9.1. Information on basic physical and      | I chemical properties  |
| Physical state                              | : Liquid   |
| Appearance                                  | : Clear liquid.  |
| Molecular mass                              | : 1000 - 1100 g/mol  |
| Color                                       | : No data available  |
| Odor  | : No data available  |
| Odor threshold                              | : No data available  |
| Refractive index                            | : 1.399  |
| рН  | : No data available  |
| Relative evaporation rate (butyl acetate=1) | : No data available  |
| Melting point                               | : <-60 °C  |
| Freezing point                              | : No data available  |
| Boiling point                               | : > 205 °C   |
| Flash point                                 | : > 110 °C   |
| Auto-ignition temperature                   | : No data available  |
| Decomposition temperature                   | : No data available  |
| Flammability (solid, gas)                   | : No data available  |
| Vapor pressure                              | : No data available  |
| Relative vapor density at 20 °C             | : No data available  |
| Relative density                            | : 0.93   |
| Solubility                                  | : Insoluble in water.  |
| Log Pow                                     | : No data available  |
| Log Kow                                     | : No data available  |
| Viscosity, kinematic                        | : 7 - 10   |
| Viscosity, dynamic                          | : No data available  |
| Explosive properties                        | : No data available  |
| Oxidizing properties                        | : No data available  |
| Explosion limits                            | : No data available  |
| •   |  |
| 9.2. Other information                      |  |

No additional information available

## SECTION 10: Stability and reactivity

### 10.1. Reactivity

No additional information available

### 10.2. Chemical stability

Stable in sealed containers stored under a dry inert atmosphere.

### 10.3. Possibility of hazardous reactions

The product can generate small amounts of hydrogen when exposed to alkalis and protic materials such as water and alcohol in combination with metal salts such as aluminum chloride or precious metals such as platinum.

### 10.4. Conditions to avoid

Heat. Open flame. Sparks.

### 10.5. Incompatible materials

Alkalis. Metal salts. Oxidizing agent. Precious metals.

### 10.6. Hazardous decomposition products

Hydrogen. Organic acid vapors. Silicon dioxide.

Safety Data Sheet

| SECTION 11: Toxicological informat  | ion   |
|---|---|
| 11.1. Information on toxicological effects  |   |
| Acute toxicity  | : Not classified  |
| Skin corrosion/irritation   | : Not classified  |
| Serious eye damage/irritation   | : Not classified  |
| Respiratory or skin sensitization   | : Not classified  |
| Germ cell mutagenicity  | : Not classified  |
| Carcinogenicity   | : Not classified  |
|   |   |
| Reproductive toxicity   | : Not classified  |
| Specific target organ toxicity (single exposure)  | : Not classified  |
| Specific target organ toxicity (repeated exposure)  | : Not classified  |
| Aspiration hazard   | : Not classified  |
| Symptoms/injuries after inhalation  | : No information available.   |
| Symptoms/injuries after skin contact  | : May cause skin irritation.  |
| Symptoms/injuries after eye contact   | : May cause eye irritation.   |
| Symptoms/injuries after ingestion   | : No information available.   |
| SECTION 12: Ecological information  |   |
| SECTION 12: Ecological information  |   |
| 12.1. Toxicity  |   |
| No additional information available   |   |
| 12.2. Persistence and degradability   |   |
| No additional information available   |   |
| 12.3. Bioaccumulative potential   |   |
| No additional information available   |   |
| 12.4. Mobility in soil  |   |
|   |   |
| No additional information available   |   |
|   |   |
| 12.5. Other adverse effects   |   |
| 12.5.         Other adverse effects           Effect on ozone layer         Image: Compare the second s | : No additional information available   |
